## CREATIVE Community CHALLENGE

Take us up on our Creative Community Challenge. Do it with your family, friends and neighbours or try it for yourself.

**We dare you! We double dog dare you!**

### What do we do?

Between **June 16 and July 29**, do three things:

1. Think about what you do already that can be counted as a creative act.
2. Try something new that tickles your creative fancy. Try one thing, try a hundred and fifty new things - or any number in between.
3. Keep a record of your creative acts during that time and send them in to us as you do them so that we can keep a tally.

**Send us photos, post it on social media, email us, or fill in the form on the flip side and mail it in to us.**

### What is going to happen with the tally?

We are going to keep track of each and every creative act. For every 150 acts that are counted, we're going to light a symbolic birthday candle. Let's see how many of these candles we can light! Look for them in town!
